Welcome to Silver Creek

We welcome you to our community. Your purchase of a home here means you are a member of the Silver Creek Homeowners Association (HOA). One advantage of an HOA is to create a neighborhood that all can be proud of while fostering a working-together attitude. We trust you noticed the results in the look and feel of this community.

Maintaining the beauty and peacefulness you see here requires effort by all.
All committees and Board of Trustees members serve as volunteers and perform their duties to benefit the whole. We hope that you will bring your ideas and talents to enhance our community.
Together we can make Silver Creek a pleasant experience for all.

Since communication is vital, we request that you complete the **Contact Information Form** enclosed at the bottom of this message, and return it by email to the Board Secretary as soon as possible.

You are invited to participate in our activities.
Be sure and read the Silver Creek newsletter '***Hi, Neighbor!***' that is emailed to the email address on file each month for the latest announcements.

You will soon receive an email invitation to activate your personal **Owner Portal**.
Here you will have instant access to accounting and communication with your HOA.

1. When you receive a *Setup Your Account* email, click the "**Setup My Account**" button.
2. Information should already be loaded. Please make any corrections necessary.
3. Create a password with at least:

Enclosed is some information most needed by new residents.

Again, welcome, we look forward to getting to know you.

Silver Creek Board of Trustees

Silver Creek Townhomes - Good Things to Know

- **Silver Creek is self-managed**. We are our own property manager.

- **The most complete information is online** at https://silvercreek-hoa.org. Here you will find directories, calendars, rules, minutes, newsletters, financial reports, forms, etc. We encourage you to review these as soon as possible.

  Hard copies of minutes, newsletters, and some forms are also in the clubhouse.
  Phone/email lists of residents are available and updated periodically in the ***Documents*** portion of your PayHOA portal. Due to confidentiality, they are not put on the public website. You may also contact any Board member for a copy.

- **Utility** providers are **Dominion Energy (**Natural Gas) and **St. George City (**electricity, trash & sewer).
  Owners make their own utility hookup and disconnection arrangements. Water is paid by the HOA.

- **Trash** pick-up is every Wednesday as early as 7 a.m. Please retrieve the emptied cans ASAP after pickup.
  Blu-Can (recycle) pickup is every other Wednesday. Please keep at least 6 feet between cans.

- **Overnight parking:** Homeowners and their guests should in their garage or driveway whenever possible to prevent congestion on our narrow streets, and unimpeded emergency vehicle access.
  The speed limit is 15 mph everywhere in Silver Creek.

- **Facilities Key Paddle** with Clubhouse Key and Pool Door Electronic Key Fob should have been supplied to you by the seller at or before closing on your home.
  There is a $100 fee charged to the homeowner to replace a lost Facilities Key Paddle and/or fob and/or keys.

- **Mailbox Keys** may have been left in the unit.
  St. George Post Office will change the lock to a new key (usually at no charge) if you contact them directly in person

- **Security lights** on each side of the garage must be kept operational.

- **Home insurance** is the responsibility of the homeowner. Contact your insurance provider and let them know your home is in an HOA that provides home structural coverage with a **$25,000 deductible**.

  Your personal home insurance policy should cover that deductible, all personal belongings and furnishings in your home, and personal liability coverage. If you make upgrades or improvements to your home, you should keep detailed records and documentation in the event of a covered loss.

- **Landscaping** includes lawn care and basic shrub trimming, and is performed by a licensed landscape contractor under direction of our Landscaping Committee.
  Please report any concerns or needed sprinkler adjustments through the **Owner Portal**.
  Please do not adjust the sprinklers or engage the lawn crew in conversation.

- **Any changes** to landscaping or exteriors, including satellite dishes and antennas, require Architectural Control Committee (ACC) approval before any work may begin. Submit ACC requests through the **Owner Portal**, or using printed forms available online and in the clubhouse, or may also be submitted to any Board of Trustees member.

- Check the monthly **newsletter** and **bulletin board** posted near the mailboxes for activities information.

- Please **inform** the Board Secretary of any changes in your current contact information.

Monthly HOA Dues

It is the responsibility of each owner to remit their monthly dues assessment on the first of each month.
Late payments received after the 10th of the month are assessed a $25 Late Fee.

Method #1: **Autopay**:

The HOA will request payment from your checking account the fourth day of each month for any balance due.

- Autopay is by far the easiest, cheapest, most secure and most reliable method of payment. Payment processing is automatic.
- Autopay reduces human error, lost mail, payment processing time, other errors, and credit/debit card fees.

- You set the maximum monthly amount and payments are drawn automatically on time, every time, in the correct amount.
- There is no cost to you, and you retain control. You are strongly encouraged to use this option.

- To avoid Non-Sufficient Funds charges from the bank, ensure you have enough in your account on the 4th of each month.
- Only the correct amount will be drawn, but because you control the process and maximum amount that can be paid, if you have selected exactly the correct amount as the maximum payable, you must be sure to update the maximum amount whenever the dues change, or you will receive a Late Fee for the underpaid amount.
  Think about setting this 5~10% higher than the current amount necessary to avoid issues if dues are changed.

Method #2: **Online Payment:**

Pay with a credit card, debit card, or checking account from the **Owner Portal**.

- 2.9% credit/debit cards are charged a processing fee.
- Payments from Checking accounts (ACH) payments are free.
  Disadvantage: You must remember to do this each month.

Method #2: **Bank Bill Pay**:

Instruct your bank to mail a check using their Bill Pay feature, payable to "*Silver Creek HOA*"

Mailing address: Silver Creek HOA
PO BOX 94046
Las Vegas, NV 89193-4046

- Mail early. Post office delays or lost mail will result in a late fee.
- You must remember to manage your instructions to the bank.
- **Include the Silvercreek HOA Account number (32784) and your Unit number on the check.**

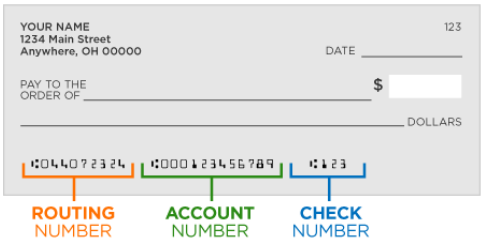
Method #4: **Manual check**:

Mail a written personal check, payable to "*Silver Creek HOA*" to the following lockbox address:

Mailing address: Silver Creek HOA
PO BOX 94046
Las Vegas, NV 89193-4046

- Mail early. Post office delays or lost mail will result in a late fee.
- A $25.00 late fee will be charged for payments received after the 10th of the month.
- You must remember to manage your instructions to the bank.
- **Include the Silvercreek HOA Account number (32784) and your Unit number on the check.**

How to Set-up Autopay from your personal Owner Portal on PayHOA



1. Click round "**Person icon**" (top right)
2. Click "**Account Settings**" from the dropdown
3. Click "**Wallet**" tab
4. Click "**Add Payment Method**"
5. Click **"US bank account"**
6. Scroll down and click "**Enter bank detail manually instead**"
7. Enter the **Routing and account numbers** from the bottom of a check. Click "**Submit**"
8. Click "**Not now**"
9. Click "**Back to PayHOA, LLC**"
10. Click "**Save Payment Method**"

Within 1-3 days, a deposit of 0.01 will be made to your account (then withdrawn) to verify the information you entered.
*The one cent deposit (and withdrawal) will be from PayHOA and will have a **six-digit verification code** beginning with "SMD???".*
You may phone or visit your bank and ask for the tracking code. You it will also be on your monthly bank statement.

When you have the tracking code, repeat steps 1-3 above. Click "Verify for payments" on account to verify.
Enter the six-digit code, close the pop-up, set the maximum withdrawal, and save.

Contact us at 435-414-1817 or SilvercreekBoardMembers@gmail.com or any Board of Trustee member for set-up assistance.
