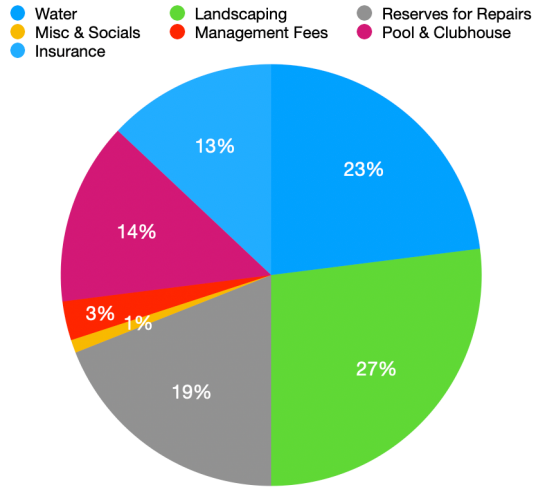
SIT n' CHAT, WORK ON THAT

October's project will be rock painting. Paint and brushes will be available. Bring the rocks you want to paint.

If you don't want to paint, then feel free to bring your own project to work on. Or just come to chat!

For more information contact Julie Gill (801) 390-3031.

WHERE YOUR MONTHLY HOA FEES GO



These rounded figures represent the Association's original budget for 2024.

Based on that budget's monthly assessment of $219 per unit, these are the approximate costs to you each month:

Landscaping	$59
Water	$50
Reserves	$42*
Pool & Clubhouse	$31
Insurance	$28*
Misc & Socials	$2
Management Fees	$7
TOTAL	**$219**

*Adequate reserves are mandated for anticipated costly structural repairs and replacements in the future.

Those expenses include street resurfacing, the community's perimeter walls, the clubhouse, pools and other common areas.

Prudent reserve amounts are established by an independent study.

*Insurance costs skyrocketed this year. Actual per unit insurance expense is nearly $45/month.

The Association's policy provides you with generous homeowner protection, subject to a $10K deductible.

APPRECIATION

The Silver Creek Home Owners Association Board of Trustees expresses deep gratitude to two members who stepped down from the board last month for personal reasons.

Stan Engh and Hans Kuhni worked tirelessly in their assigned capacities to preserve and enhance

(continued next page)

the value of our community.

It would be difficult to overstate their positive contributions to our neighborhood or their countless hours of service behind the scenes.

Next time you see them, please say "Thanks!"

To accommodate the changes in HOA Board membership, the trustees have appointed Adam Witt as Board President.

A LINE IN THE SAND!

Southern Utah is blessed with an abundance of sand.

Please leave it on the trails and in the canyons and on the beaches—and *NOT* in our hot tub!

Sand in the hot tub in has forced repeated expensive equipment repairs and cleanings in recent months resulting in frequent closures.

This won't happen if everyone keeps the pledge to take a cleansing shower and change into a bathing suit before entering the pools. Remind your guests. Thank you!

OUTDOOR POOL DATES

The outdoor pool will remain open until the last Monday of the month (October 28), weather permitting.

The target date for reopening for next season—again, weather permitting—is March 24, the last Monday of the month.

IN MEMORIUM

Two long-time Silver Creek residents passed away last month.

Orlando "Bert" Wareham, 89, died September 9. Bert relished playing the role of a cowboy to his family and friends.

We extend our sympathy to them all, and especially to his wife, Grace.

Michael Zabriskie, 64, passed away Sept. 11.

His parents, Dale and Miriam, have homes in Silver Creek as does his sister, Michele, and his aunt, Bonnie Rice.

As a community, we express condolences to them and to Michael's partner, Mark Baumbach.

POOL EXERCISE HOURS ESTABLISHED

The HOA has reserved pool hours for specific uses.

OUTDOOR POOL USE EXCLUSIVELY FOR

Lap Swimming & Lap Walking
8:00 a.m. – 9:15 a.m. M-F

Water Aerobics
9:15 a.m. – 10:30 a.m. M-F

When the outdoor pool closes for the season, the restricted hours will apply to the indoor pool (except for holiday periods).

Please keep in mind, these restrictions are activity-based, not age based. If an authorized six-year-old accompanied by an adult shows up to practice her lap swimming then she's welcome!
