PERSONAL INSURANCE CHECKLIST

Your monthly dues provide generous insurance coverage on your Silver Creek home. The structure is fully insured after a 10-thousand-dollar deductible.

You should have your own insurance policy to cover what the HOA's master policy does not.

Such "condo insurance" is known as HO-6 insurance.

Make sure you agent knows that is what you require or you may be needlessly overpaying!

Consider additional insurance against those things your HOA insurance does not cover:

- The $10K Deductible (or some portion of it)
- Personal Property (the contents of your home)
- Valuable Articles
- Liability Insurance
- Sewer and Drain Backup Coverage
- Earthquake Coverage (if desired)

. You may find it helpful to share a copy of the Association's current Certificate of Property Insurance with your agent. It is available on the Silver Creek website.

ACTION REQUIRED!

Silver Creek's contract with property management company CAM—which has processed monthly dues—will terminate December 31st.

That means **you need to change the way you pay Association dues by December 20th.** If you don't do this, your January payment may not process and you could be subject to penalties.

Attached to this newsletter you will find complete instructions for how to set up payments through Silver Creek's new website as well as a document detailing all payment options.

The first easy step to creating your new account is to go online to payhoa.com and click "Sign Up" in the upper right-hand corner of the screen.

Once you create your account, you will be directed to a page called **Dashboard**. If you need help with this process, email silvercreekboardmembers@gmail.com and a member of the Board will reply with assistance.

Thank you for your support as we make this transition to self-management.

2025 BUDGET AND DUES

On November 21, the Silver Creek Home Owners Association Board of Trustees unanimously adopted a budget plan and dues assessments for the year 2025.

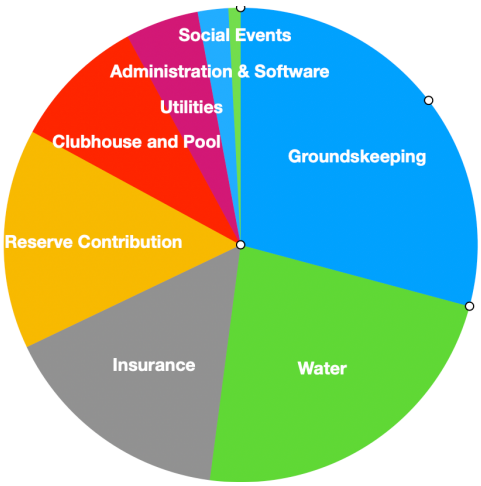
Following multiple years of dues assessments that failed to keep up with expenses in an inflationary economy the Board approved a budget of $466,560 to meet fiduciary obligations in the coming year.

That equals a monthly homeowner assessment of $240.

(continues next page)

The graph below illustrates broad categories of where that money will go.

The Board is pleased to announce a new contract with Green Keepers Landscaping for the general maintenance of common areas and of your yard (front and back). The Board is confident this arrangement will provide superior service to the community that will enhance the value of home.



Homeowner Approximate Monthly Contribution

Groundskeeping	70
Water	55
Insurance	38
Reserve Contribution	36
Clubhouse and Pool	22
Common Area Utilities	12
Admin & Software	5
Social Events	2
Total	**$240**

The Board is working aggressively to both hold down costs and retain responsible reserves for anticipated capital expenses. Those include road and wall maintenance and repairs, and anticipated replacement of pool and clubhouse equipment at the end of its useful life.

MARK YOUR CALENDAR FOR THE

Saturday, January 18, 2025
6:30 p.m. in the Silver Creek Clubhouse
(Zoom will be available)

The primary purpose of the Annual Meeting is for homeowners to elect members of the Board of Trustees to serve three-year terms.

Three of nine seats will be open for election.

Please consider offering yourself as a candidate! Both full-time or part-time residents are eligible and useful.

The Board makes decisions and works on behalf of all homeowners.

Each year, the elected Trustees appoint the Officers of the Association (President, Vice-President, Secretary and Treasurer) for one-year terms.

Your skills and willing hands are welcome on the Board for a variety of responsibilities.

Specific skills always in demand (particularly as we embark on self-management of all the Association's affairs) include experience in Computer Technology, Web Design, Accounting, Business, Real Estate, Engineering, Maintenance, Contracts, Landscaping and Willingness to Help.

If you are willing to even *think* about thinking about it, then contact any current member of the Board, or send an email to silvercreekboardmembers@gmail.com to get more information.
