ANNUAL MEETING & ELECTIONS:

The annual meeting is a very important—and **required**—event for the Silver Creek Townhomes Association.

It's the time to **elect new board members**, review the budget, and discuss the general state of the community.

Most critically, according to our governing documents, **we can't hold an election without a quorum**. Our documents define a quorum as at least 50% of all homeowners.

The date of January 18th is a great time for part-time residents to leave the cold for St. George and drop by the Annual Meeting.

If you simply cannot be present, we ask you to fill out and return the **proxy form** that will be sent to you in the mail.

A proxy is an authorization that allows one homeowner to appoint another homeowner (the proxy holder) to vote on their behalf.

Proxies can always be rescinded if the member attends the meeting, but your proxy can be used to establish a quorum if you can't make it.

You may attend and participate in the Annual Meeting via Zoom, but if you are not physically present you must vote by proxy.

Every owner will receive a proxy form that includes the option to declare that you will vote in person. **Please mail it in regardless of your plans!**

And please consider offering yourself as a board member candidate. (details, next page)

Silver Creek Wants YOU!

To Join The HOA Board

Three seats are up for election on January 18th.

Please consider offering yourself as a candidate for one of these volunteer positions!

Full-time or part-time residents are eligible.

If you declare your candidacy by January 1st the Association will help you campaign!

It will mail your own campaign statement to all homeowners.

Term of office is three years. Formal board meetings are once a month. Zoom is an option.

The Board works on behalf of all homeowners and makes decisions for the community.

If you are willing to consider this invitation, please contact any current member of the Board, **or send an email to**

Silver Creekboardmembers@gmail.com

to receive a candidacy form or just more information.

PAST DUE

PLEASE DON'T LET THAT BE YOU!

As announced in the December edition of this newsletter, payment procedures for monthly Silver Creek HOA dues change effective January 1, 2025.

CAM, where you previously sent payments, is no longer receiving them.

If you have not registered for the new payment system through PayHOA so that your dues are received by January 10 then your $240 payment will be past due and you may be subject to a fine.

You can review registration details in the December newsletter archived on-line at

If you need a new Activation Email or require help getting set up, please request assistance from ***Silver Creekboardmembers@gmail.com***

Thanks to all who have completed this task.

A BIG THANKS

…to everyone who assisted in decorating the clubhouse for the holidays. You made it look festive and beautiful! Also, thanks to all who supported our December Humanitarian project "Lifting Hands International."
