PLANS FOR THE PALMS

Okay, maybe you've noticed that our community's palm trees aren't looking quite their best right now.

That's partly due to the season, but is also because there was no general palm tree trim last year.

Please know that the 2025 budget presented at the Annual Meeting in January provides for palm tree trimming this year.

The experts on trimming generally suggest that the best time for trimming in our area is late spring or early summer.

The plan is to have all large palm trees in Silver Creek's common areas and limited common areas (individual lots) trimmed at that time.

ANNUAL MEETING REPORT

Thanks to all the homeowners who contributed to the success of last month's Annual Meeting by their attendance in person or via Zoom or by submitting a proxy ballot.

Together, we far exceeded the requirement for a quorum as defined in the bylaws.

Each registered homeowner should have received an emailed copy of the meeting's detailed minutes on January 22. (Thank you, Carol Burmester!)

BOARD ELECTIONS

The principal business of the Annual Meeting was the election of members to fill three open seats on the Board of Trustees.

Your votes designated **Carla Peay**, **Hans Kuhni** and **Matt Schwenk** to fill three-year terms.

BOARD OFFICERS 2025

Three days after the election, the nine trustees met in executive session to select officers for the next twelve months. They are

President	Adam Witt
Vice-President	Neal Nuttal
Secretary	Carol Burmester
Treasurer	Karen Hayes

BOARD ASSIGNMENTS

After selecting the statutory officers, the board agreed upon the following assignments for principal responsibilities in 2025.

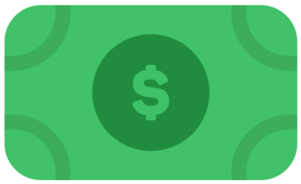
Adam Witt	Information Technology / Website
Neal Nuttall	Landscaping / Auditing
Matt Schwenk	Architectural Review Committee
Jeff Snow	Clubhouse / Security
Bruce Lindsay	Communication / Parliamentarian
Hans Kuhni	Pools / Governance
Carla Peay	Socials / Events

Please direct questions about Association matters to the appropriate board member.

Kindly address email inquiries to their attention at SilvercreekBoardMembers@gmail.com

PAYMENT TRANSITION

A big **Thank You** to all homeowners for adjusting to the change in payment procedures for monthly dues.



Making the change caused confusion for some and even frustration for a few.

But one month into the Association's move to self-management everyone now has successfully made the switch.

Again, thank you!

The new arrangement is already saving Silver Creek money.

WELCOME, NEW NEIGHBORS!

Art and Terry Merry have moved in to Unit #2.

They come from Orting, Washington, just southwest of Tacoma.

The Merrys discovered St. George a few years ago while on a road trip and they fell in love with the place. They decided it was where they would retire.

Both had careers in the healthcare industry where they met. Terry worked in administration, Art in engineering. They have been married for 32 years.

Terry is an avid reader—something like 400 books in the past year.

Art does beautiful woodworking. You should see his model train!

Together they share a love for deep-sea fishing.

And together they count four children, eleven grandchildren and two great grandchildren.
